Scripps to purchase group annuity contract to reduce pension obligations by \$50 million

November 6, 2018

CINCINNATI —The E.W. Scripps Company (NASDAQ: SSP) has entered into an agreement with Massachusetts Mutual Life Insurance Company (“MassMutual”) to purchase a group annuity contract and transfer approximately \$50 million of the company’s pension plan obligations.

The transaction will transfer responsibility for the pension benefits to MassMutual for approximately 2,000 Scripps retirees and beneficiaries. MassMutual will begin making benefit payments to the affected plan participants on Jan. 1, 2019. There will be no change to pension plan benefits for plan participants.

Through the transaction, Scripps will reduce its pension plan liabilities by approximately \$50 million. The purchase of the contract will be funded by assets of the pension plans, and no additional contributions will be required to facilitate the transaction. Scripps Chief Financial Officer Lisa Knutson said the agreement is another move in the company’s effort to de-risk its pension plan.

The transaction is expected to close on Nov. 8, 2018.

Scripps expects to recognize a one-time non-cash pension settlement charge of between \$10 million and \$12 million in the fourth quarter. Impacted retirees and beneficiaries received preliminary notification in August 2018 and will be sent additional information later this month.
