Item 5.01. Changes in Control of Registrant.

Explanatory Note.

This filing supplements information in the Form 8-K dated January 22, 2013, filed by the Company relating to termination and winding up of the Edward W. Scripps Trust (the "Trust"), former controlling shareholder of the Company, and includes information relating to the shareholdings of the beneficiaries of the Trust who have received Class A Common Shares and Common Voting Shares of the Company formerly held by the Trust and who are among the controlling persons of the Company.

Background.

The Trust, the former controlling shareholder of the Company, ended on October 18, 2012, upon the death of Robert P. Scripps, a grandson of the founder. He was the last of Edward W. Scripps' grandchildren upon whom the duration of the Trust was based.

In 2011, prior to the termination of the Trust, the Trustees of the Trust filed a Petition for Instructions and Declaratory Relief with an Ohio Probate Court (the "Probate Court") that sought (i) to prepare for the administration of the Trust following its termination, (ii) to determine the identities of named beneficiaries and the identities of others who may be entitled to distributions from the Trust, (iii) to authorize, subject to clause (iv) below, the Trustees to continue the investment and management of the Trust's assets during the period between Trust termination and distribution of assets ("Winding-Up Period"), (iv) to authorize the Trustees to vote the Common Voting Shares of the Company during the Winding-Up Period in accordance with the procedures set forth in the Scripps Family Agreement dated October 15, 1992 (as amended, the "Scripps Family Agreement"), and (v) to confirm the Trustees' views on a number of other issues. The Petition was filed under seal in accordance with Ohio court rules, and the parties to the action are bound by a protective order issued by the Court that limits disclosure with respect to the proceedings.

On January 22, 2013, under the provisions of its prior order sealing the proceedings, the Probate Court issued an order with respect to the petition (the "Order"). With the Court's authorization, the Trustees advised the Company at that time that the Order generally provides that during the Winding-Up Period the Trustees shall vote (or enter into or decline to enter into binding agreements to vote) the Common Voting Shares held by the Trust as instructed by a vote conducted in accordance with the procedures of Section 9 of the Scripps Family Agreement. In the absence of instructions from a vote under the Scripps Family Agreement and the Order, the Trustees may vote the Common Voting Shares in the manner they determine, in their discretion, to be in the best interests of the Trust beneficiaries, so long as the vote does not relate to a change of control transaction. If the vote relates to a change of control transaction, the Trustees will not vote the Common Voting Shares held by the Trust in the absence of such instructions.

Distribution of Common Shares.

On March 14, 2013 (the "Distribution Date"), a total of 23,163,464 of the Class A Common Shares and Common Voting Shares (collectively, the "Common Shares") held by the Trust were distributed to the residuary beneficiaries of the Trust (the "Trust Beneficiaries"), other than three Trust Beneficiaries who are minors (the "Minors"). The provisions of the Scripps Family Agreement are now fully effective and the voting provisions established by the Order directing the Trustees of the Trust with respect to the voting of the Common Voting Shares then held by the Trust no longer apply to the Common Voting Shares held by the Trust Beneficiaries other than the Minors, except with respect to the voting of the Common Shares at the Company's annual meeting of shareholders to be held on May 1, 2013, for which the record date for determining the shareholders entitled to vote was March 13, 2013 (prior to the Distribution Date). Accordingly, at such annual meeting, the Trustees of the Trust will vote the Common Voting Shares held by the Trust prior to the Distribution Date in accordance with the instructions of the Signatories (as defined below) determined pursuant to a vote under the Scripps Family Agreement. The Trustees of the Trust have indicated that the remaining Common Shares held by the Trust are expected to be distributed in the next few months to trusts to be established for the purpose of holding the shares on behalf of the Minors.

The Common Voting Shares that remain in the Trust will continue to be subject to the voting provisions in the Order until their expected distribution to the Minors' trusts. The Minors are not parties to, and the Minors' trusts may or may not in the future become parties to, the Scripps Family Agreement. The person who may be appointed as trust advisor with respect to the Common Shares to be held by any Minor's trust may be deemed to have beneficial ownership of those shares, but unless such Minor's trust becomes a party such person will not be bound by the Scripps Family Agreement with respect to those Common Shares. As of the Distribution Date, the provisions of the Scripps Family Agreement fully govern the transfer and

voting of the Common Voting Shares held by the Scripps family members signatory thereto (the "Signatories").

Section 9 of the Scripps Family Agreement provides that the Company will call a meeting of the Signatories prior to each annual or special meeting of the shareholders of the Company held after termination of the Trust (each such meeting hereinafter referred to as a "Required Meeting"). At each Required Meeting, the Company will discuss with the Signatories, each matter, including election of directors, that the Company will submit to the holders of Common Shares at the annual meeting or special meeting with respect to which the Required Meeting has been called. Each Signatory will be entitled, either in person or by proxy, to cast one vote for each Common Voting Share owned of record or beneficially by him or her on each matter brought for a vote at the Required Meeting. Each Signatory will be bound by the decision reached by majority vote with respect to each such matter, and at the related annual or special meeting of the shareholders of the Company each Signatory will vote his or her Common Voting Shares in accordance with the decisions reached at the Required Meeting of the Signatories.

Identity of Controlling Persons and Percentage of Common Shares Owned.

The table below is based on information provided by the Signatories and sets forth as of March 19, 2013: (i) the number of Common Voting Shares and Class A Common Shares beneficially owned by each Signatory, excluding Common Shares beneficially owned by the other Signatories and the Trust, unless otherwise indicated, (ii) the aggregate number of Common Voting Shares and Class A Common Shares that may be deemed to be beneficially owned by each Signatory, including all Common Voting Shares subject to the Scripps Family Agreement and the Common Voting Shares held by the Trust, and (iii) the percentage of Common Voting Shares and Class A Common Shares that may be deemed to be beneficially owned by each Signatory. Except as otherwise noted in the table, each Signatory has (x) sole voting power (to the extent such shares are entitled to vote) with respect to the Class A Common Shares listed under column (i), (y) sole dispositive power with respect to the Common Voting Shares and Class A Common Shares listed under column (i), and (z) shared voting power with respect to the Common Voting Shares listed under column (ii).

The Signatories share voting power with each other with respect to their Common Voting Shares under the terms of the Scripps Family Agreement. They also share voting power with the Trust with respect to the Common Voting Shares held by the Trust under the terms of the Order and the Scripps Family Agreement. The voting provisions established by the Order will continue to apply to the remaining Common Voting Shares held by the Trust until the distribution of such shares to the Minors' trusts. As a result, the Signatories may direct the manner in which the remaining Common Voting Shares are voted by the Trustees, under certain circumstances, as instructed by a vote conducted in accordance with the procedures of Section 9 of the Scripps Family Agreement. The Common Voting Shares held by the Signatories will also be voted as instructed by a vote conducted in accordance with the procedures of Section 9 of the Scripps Family Agreement. Due to this shared voting power, the aggregate number of Common Voting Shares that may be deemed to be beneficially owned by the Signatories includes 267,333 Common Voting Shares held by the Trust and 11,130,723 Common Voting Shares held by the Signatories. Following a distribution of the remaining 267,333 Common Voting Shares from the Trust to the Minors' trusts, such shares will not be subject to the Scripps Family Agreement unless the Minors' trusts become parties thereto in the future.

Subject to the Scripps Family Agreement, each Common Voting Share is convertible at no cost and at any time into one Class A Common Share on a one-for-one basis. The aggregate number and percentage of Class A Common Shares (columns (ii) and (iii)) assumes the conversion to Class A Shares of all Common Voting Shares beneficially owned by the Signatories and the Trust. The percentages of Common Voting Shares are based on 11,932,722 shares of the Company's Common Voting Shares (calculated based on the 11,932,735 Common Voting Shares reported as outstanding as of January 31, 2013, in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 (the "Form 10-K") less the 13 Common Voting Shares converted by the Trust into Class A Common Shares on March 4, 2013). The percentages of Class A Common Shares are based on 43,977,739 of the Company's Class A Common Shares outstanding as of January 31, 2013, as reported in the Form 10-K.
