Dear Shareholder:

We are writing to encourage you to vote for your Board's three highly qualified nominees at The E.W. Scripps Company 2018 Annual Meeting of Shareholders on May 10, 2018.

Please use the enclosed **WHITE** proxy card to vote "**FOR**" each of the Board's nominees: Lauren R. Fine, Roger L. Ogden and Kim Williams. Please date, sign and return the **WHITE** proxy card in the envelope provided to you, or use the telephone or internet method of voting described on your **WHITE** proxy card.

THE E.W. SCRIPPS COMPANY'S BOARD AND MANAGEMENT ARE MAKING SIGNIFICANT PROGRESS ON IMPLEMENTING OUR TRANSFORMATION STRATEGY

We have gained significant momentum since implementing our transformation strategy and are beginning to see the results. We continue to evaluate our Local Media brands in order to maximize our portfolio performance through our buy-sell-swap station acquisition strategy. Additionally, our National Media businesses continue to gain scale, and the segment delivered its first profitable quarter in Q4 2017. By continuing to execute on our comprehensive strategy, we believe we are creating meaningful value for our shareholders in the near- and long-term:

1. We expect cash flow from operations to grow more than 40 percent from 2016 levels to 2020, driven by retransmission revenue increases and restructuring initiatives
2. We anticipate margin improvement of about 400 basis points from 2018 to 2020
3. Our buy-sell-swap strategy for our television stations would offer additional margin improvement
4. In the Local Media division, we are focused on creating the strongest portfolio through new operating philosophies that will maximize broadcast cash flow

Gabelli & Co. Senior Media Analyst

Barry Lucas makes the case for

Scripps' strategy:

"We calculate a \$23 per share private market value at 8x broadcast cash flow over the 2019/2020 political cycle and recommend purchasing the stock."

— April 10, 2018

5. In the National Media division, we are seizing opportunities we see with the evolving habits of media consumers
6. We are returning cash to shareholders via the dividend initiation in Q1 2018 (current dividend yield of ~1.7%)
7. We expect to continue share repurchases under our current authorization

GAMCO HAS NOT OFFERED AN ALTERNATIVE STRATEGY

Despite several conversations with Scripps CEO Adam Symson, GAMCO CEO Mario Gabelli has not articulated an alternative strategy for change at Scripps.

GAMCO HAS REJECTED ALL ATTEMPTS AT COMPROMISE AND CONSTRUCTIVE DIALOGUE

In conversations with Mario Gabelli, Adam Symson on behalf of the Scripps Board suggested a compromise. Mr. Symson offered to include one of Gabelli's nominees in the Scripps slate of directors in hopes of reaching a constructive resolution to the ongoing proxy fight. Gabelli declined and instead insisted that he wants all three of his nominees on the Board "or nothing at all." Gabelli has refused to compromise, refused to let our Board meet with his director nominees and refused our attempts at productive dialogue.

**WE HAVE THE RIGHT BOARD AND MANAGEMENT TEAM TO EXECUTE ON OUR
COMPREHENSIVE STRATEGY**

"National is profitable, management is committed to returning capital...there is a clear focus on station M&A, and sub trends are getting better...we truly believe the management team is making the right changes for the long term."

— Wells Fargo, February 28, 2018

Our Board and management team have been agents of change for the Company, and our nominees for election have the experience, expertise and knowledge that will help us achieve our objectives, and ultimately create shareholder value. The election of GAMCO's nominees would diminish the diversity of experience our Board brings to the table and eliminate the shareholder perspective of our nominees, as former members of the investment community. We believe the nomination of directors by GAMCO is a wasteful distraction during a crucial period for the Company.

**VOTE THE ENCLOSED WHITE PROXY CARD TODAY "FOR" ALL OF THE E.W. SCRIPPS COMPANY'S HIGHLY
QUALIFIED DIRECTOR NOMINEES**

**IF YOU HAVE ALREADY VOTED THE WHITE PROXY CARD FOR EACH OF YOUR ACCOUNTS, THERE IS NO NEED TO
VOTE AGAIN**

Please use the enclosed **WHITE** proxy card to vote "**FOR**" each of the Board's nominees: Lauren R. Fine, Roger L. Ogden and Kim Williams. You are urged to date, sign and return the **WHITE** proxy card in the envelope provided to you, or to use the telephone or Internet method of voting described on your **WHITE** proxy card.

Thank you for your continued support as we work to transform The E.W. Scripps Company and enhance value for all our shareholders.

Sincerely,

Rich Boehne
Chairman of the Board
