Forward-Looking Statements

Certain statements in this communication may contain “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. Statements that are not historical in nature and which may be identified by the use of words like “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions, are forward-looking statements. These forward-looking statements are based on management's current expectations, and are subject to certain risks, trends and uncertainties, including changes in advertising demand and other economic conditions that could cause actual results to differ materially from the expectations expressed in such forward-looking statements. Such forward-looking statements are made as of the date of this communication and should be evaluated with the understanding of their inherent uncertainty. A detailed discussion of principal risks and uncertainties which may cause actual results and events to differ materially from such forward-looking statements is included in the company's Form 10-K on file with the SEC in the section titled “Risk Factors.” The company undertakes no obligation to publicly update any forward-looking statements to reflect events or circumstances after the date the statement is made.
The acquisition of the seven Nexstar-Tribune markets will expand our reach to 30 percent of U.S. TV households with 59 stations serving 42 markets.

Scripps will have the No.1 or No.2-rated TV station in 36 percent of our markets.

These stations will further diversify the Scripps portfolio:
- 18 ABC stations
- 11 NBC stations
- 9 CBS stations
- 4 Fox stations
- 13 CW affiliates

Scripps will operate nine markets with more than one station, efficiently enhancing our depth and durability.

Our well-established political advertising operations will be enhanced by now reaching 67 percent of Florida households with the addition of Miami and our entry into two Virginia markets and another Michigan market.

In Phoenix, our high-performing ABC station will be joined by a CW, giving additional strength to that market.
This Group Of Stations Has Many Of The Traits We Are Seeking As We Rebalance The Scripps Local Media Portfolio

Network Affiliation: Diversify and balance our network affiliation mix

Duopolies: Enhance in-market depth and durability

Political Footprint: Add stations to complement our already strong political footprint

In-Market Rank: Increase the number of No. 1 and No. 2 stations to increase portfolio durability

Reach: Expand our national footprint to increase the number of U.S. TV households
Upon Closing Of This Transaction and Cordillera, Scripps Will Be The Fourth-Largest Independent Broadcaster

PERCENTAGE OF U.S. TELEVISION HOUSEHOLDS REACHED

Pro forma for all announced transactions as of Tuesday, March 19, including Nexstar’s announced divestitures, plus Scripps’ acquisition of Nexstar-Tribune stations
