Item 1.01 Entry into a Material Definitive Agreement

For executive officers other than those covered by the Executive Bonus Plan, The E. W. Scripps Company (“Scripps”) provides an annual performance-based bonus plan (the “Plan”). The Plan is administered by the President of the Company and certain other executive officers. For each executive officer participating in the Plan, a target bonus award is established as a percentage of the executive officer’s annual base salary. The amount each executive officer receives will depend upon the achievement of specific financial targets and strategic objectives.

On March 25, 2005, the target bonus awards and the financial targets and strategic objectives that will be used to determine 2005 bonuses were established. For 2005, the financial target is operating cash flow, the measure used to evaluate the operating performance of our business segments. For executive officers who work for a specific operating segment the operating cash flow target is for that operating segment, while for other executive officers the operating cash flow target is the amount for Scripps as a whole. The operating cash flow portion of the bonus may vary from a minimum of 0% to a maximum of 150% of the target. The strategic objective portion of the bonus may vary from 0% to 100% of the target.
