Explanation of Responses:

* - Pursuant to the company's 1997 Deferred Compensation and Stock Plan for Directors, directors may defer fees into a phantom stock fund. Under this plan, fees are converted quarterly into phantom shares at the fair market value of the company's Class A common shares on the last trading day of each quarter. Upon retirement as a director, the balance may be paid in either shares or cash. The balance at 9/30/02 is 7,888.19.
