REPORT ON THE BOARD OF DIRECTORS AND ITS COMMITTEES

2005 Board and Committee Meetings

The board held four regularly scheduled meetings and one special meeting. The following committees of the board held the number of meetings indicated: Executive, one; Audit, six; Compensation and Incentive Plan, four; and Nominating & Governance, five. Each director attended each of the meetings of the board and the committees on which he or she served, except one director who missed one board meeting.

Committees

Executive Committee. William R. Burleigh (chairman), John H. Burlingame and Kenneth W. Lowe are the members of the executive committee which, if necessary, exercises all of the powers of the board in the management of the business and affairs of the Company between board meetings except the power to fill vacancies on the board or its committees.

Audit Committee. Ronald W. Tysoe (chairman), Jeffrey Sagansky and Julie A. Wrigley are the members of the audit committee. Among other things, the audit committee appoints the independent auditors each year, reviews the audit plans of both the internal and independent auditors, evaluates the adequacy of and monitors compliance with corporate accounting policies, and reviews the Company's annual and quarterly financial statements. The internal and independent auditors have unrestricted access to the audit committee. The committee meets privately with each of the independent auditors, the internal auditors and management. The committee's charter is available for review on the Company's Web site, www.scripps.com.

Compensation Committee. David A. Galloway (chairman), John H. Burlingame, Jarl Mohn, Edward W. Scripps and Ronald W. Tysoe are the members of the compensation committee, which oversees all compensation matters relating to the Company's senior executives. The committee's charter is available for review on the Company's Web site.

Incentive Plan Committee. David A. Galloway (chairman), Jarl Mohn and Ronald W. Tysoe, three of the Company's independent directors, are the members of the incentive plan committee, which approves all awards under the Company's Long-Term Incentive Plan and approves all performance-based bonus awards for the Company's senior executives. The incentive plan committee is a subcommittee of the compensation committee and meets at the same time as the compensation committee.

Nominating & Governance Committee. John H. Burlingame (chairman), William R. Burleigh, Nicholas B. Paumgarten, Nackey E. Scagliotti and Julie A. Wrigley are the members of the nominating & governance committee. The purpose of the committee is to review the size and composition of the board, to recommend nominees to the board of directors, to formulate policies of board conduct and to insure that the board adopts appropriate corporate governance standards. The committee's charter is available for review on the Company's Web site. The Edward W. Scripps Trust holds a majority of the Company's Common Voting Shares, which qualifies the company as a "controlled" company as defined by Section 303A of the listing standards of the New York Stock Exchange. As such, the Company could avail itself of an exemption such status affords it from compliance with the Exchange's requirements to have a majority of independent directors and an independent nominating and corporate governance committee and an independent compensation committee. The board of directors has determined that a majority of its board of directors is independent. When selecting new director nominees, the committee considers any requirements of applicable law or listing standards, as well as a candidate's strength of character, judgment, business experience, specific areas of expertise, factors relating to the composition of the board (including its size and structure) and principles of diversity. The committee will review any candidate recommended by the shareholders of the Company in light of the committee's criteria for selection of new directors. If a shareholder wishes to recommend a candidate, he or she should send his or her recommendation, with a description of the candidate's qualifications, to: Chairman, Nominating & Governance Committee, c/o Mrs. Mary Denise Kuprionis, The E. W. Scripps Company, 312 Walnut

Street, Suite 2800, Cincinnati, Ohio 45202. In the past, the committee has hired an independent consultant to assist with the identification and evaluation of director nominees and may do so in the future.

GOVERNANCE

The board of directors is committed to good corporate governance, good business practices and transparency in financial reporting. The nominating & governance committee annually reviews the Company's corporate governance principles and the charters of the audit, compensation and nominating & governance committees. The committee charters comply with the governance provisions of the Sarbanes-Oxley Act of 2002 and the listing requirements of the New York Stock Exchange. The governance principles and committee charters are available for review on the Company's Web site and are available in print to any shareholder who requests a copy.

The Company has in place a Code of Business Conduct and Ethics for the Chief Executive Officer and Senior Financial Officers, which is available for review on the Company's Web site. It is the responsibility of the audit committee and the chief financial officer to make sure that this policy is operative and has effective reporting and enforcement mechanisms.

The Company's Statement of Policy on Ethics and Professional Conduct was established in 1996 and was updated, renamed the Code of Ethics and approved by the board of directors in February 2005. Training and distribution of the updated Code began in the spring of 2006. The Code is applicable to all employees and is available for review on the Company's Web site. It is also available to any shareholder who requests a printed copy.

The Company has not made any charitable contributions, where the amount has exceeded \$1 million or 2% of such charity's consolidated gross revenues, to any charitable organization for which a director serves as an executive officer.

In accordance with the Company's corporate governance principles, the non-management directors met in executive session at least four times in 2005. The director who presides at these meetings is selected by the board of directors.

When first elected to the board of directors, new members attend a training session that introduces them to the Company's operations and to the members of management. Thereafter, directors are informed on a regular basis of various director educational programs offered by governance and director organizations. The Company pays for the continuing education of its directors.

Section 303A of the listing standards of the New York Stock Exchange defines a controlled company as "a listed company of which more than 50% of the voting power is held by an individual, a group or another company." The Edward W. Scripps Trust holds a majority of the Company's outstanding Common Voting Shares, which qualifies the Company as a "controlled company." As such, the Company could avail itself of an exemption such status affords it from compliance with the Exchange's requirements to have a majority of independent directors and an independent nominating and corporate governance committee and an independent compensation committee. However, the board of directors has determined that a majority of its board of directors is independent. On May 16, 2005 the Company filed with the New York Stock Exchange its executed Annual Written Affirmation. An exhibit to the Annual Written Affirmation was the Company's annual Section 303A.12(a) CEO Certification.

The Company does not have a policy with regard to attendance by board members at the Annual Meeting of Shareholders. Messrs. Burleigh, Lowe and Tysoe attended the Company's 2005 annual meeting of shareholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Committee

The members are Mr. Ronald W. Tysoe (chairman), Mr. Jeffrey Sagansky and Ms. Julie A. Wrigley. The board of directors of the Company has determined that none of the current members of the committee has any relationship with the Company that could interfere with his or her exercise of independence from management and the Company. Each of the members satisfies the definitions of independence set forth in the rules promulgated under the Sarbanes-Oxley Act and the listing standards of the New York Stock Exchange. The board determined that each member of the committee is financially literate as defined under the current NYSE rules and that Mr. Tysoe is an audit committee financial expert as defined in the SEC rules adopted under the Sarbanes-Oxley Act.

The committee's charter is available for review on the Company's Web site.

Additionally, the audit committee members have reviewed the Company's Code of Ethics and have established guidelines for receiving reports on issues raised by employees using the Company's HelpLine. The committee meets privately with representatives of the Company's independent auditors, with the Company's internal auditors and with management.

Meetings

The committee held six meetings during 2005 and, as of March 31, 2006, has had four meetings in 2006. During such meetings, the committee spent a significant amount of time reviewing the progress of management's annual report on internal controls over financial reporting as required by section 404 of the Sarbanes-Oxley Act. Management reported to the committee that there were no material weaknesses in the Company's system of internal control over financial reporting. Additionally, management represented to the committee that the Company's quarterly financial statements and consolidated financial statements as of and for the year ended December 31, 2005 were prepared in accordance with generally accepted accounting principles. The committee reviewed and discussed such financial statements with management and the Company's independent auditors, Deloitte & Touche, LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively the "Deloitte Entities"), and discussed such other matters deemed relevant and appropriate by the committee. The committee discussed with Deloitte Entities the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, (Communications with Audit Committees). Deloitte Entities also provided to the committee the written disclosures and letter, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The committee and Deloitte Entities discussed independence and whether the auditors' provision of non-audit services is compatible with maintaining such independence. It is the policy of the committee that the Company notify the audit committee and obtain its approval prior to engaging the Deloitte Entities for any non-audit work.

In reliance on the reviews and discussions referred to above, the committee recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 and be filed with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Committee

The compensation committee of the board of directors, which consists entirely of non-employee directors of the company, is responsible for reviewing and approving the Company's executive compensation program. The members are Messrs. David A. Galloway (chairman), John H. Burlingame, Ronald W. Tysoe, Jarl Mohn and Edward W. Scripps.

The incentive plan committee, a subcommittee of the compensation committee, approves awards under the Company's Long-Term Incentive Plan and the Executive Bonus Plan. Messrs. Tysoe, Galloway and Mohn are members of the incentive plan committee.

Overview of the Company's Compensation Philosophy

The Company's executive compensation program is based on a philosophy that combines pay for company performance and market-competitive compensation levels. The objective of the program is to provide a comprehensive compensation package that will reward for enhancing Company performance and maximizing shareholder value and that also allows the Company to attract, retain and motivate a highly-qualified management team.

The value of an individual's role and his or her overall contributions are taken into consideration when determining executive pay levels and incentive opportunities. The Company relies on a variety of published compensation surveys to assess the competitiveness of its executives' compensation levels.

Components of the Compensation Program

All elements of the executive compensation program are reviewed annually by the compensation committee to ensure alignment with Company objectives and consistency with competitive practices. The program consists of base salary, annual bonus and long-term incentives that include grants of nonqualified stock options and performance-based restricted stock under the Company's Long-Term Incentive Plan (hereinafter referred to as total direct compensation). Performance-based compensation should be commensurate with the level of performance achieved. Total direct compensation is targeted at a level commensurate with Company performance. The committee has determined that total direct compensation for the named executive officers is reasonable and appropriate when taking into consideration comparable positions in the market. The committee will continue to review the alignment of executive pay with Company performance and make adjustments, as necessary, to support retention goals.

Base Salary

Base salary levels for executive officers of the Company are targeted to be at the median of the market in comparison to their respective industry and professional peers. Salary adjustments are a function of multiple factors including: competitive market levels for comparable positions; an executive's responsibilities; an executive's job performance and contributions; and the Company's performance. The performance factors are not assigned specific weights. Rather, the Committee applies its own judgment in evaluating the aggregate impact of these factors and in making base salary determinations.

The Committee takes into consideration the recommendation of the chief executive officer when determining base salary increases for the other named executive officers. The 2005 base salary levels for named executive officers were generally close to the market median when Company size is taken into consideration.

Annual Bonus

Short-term incentives for 2005 were provided to the named executive officers through the Executive Bonus Plan. The Committee established objectives for two key financial measures, operating cash

Table of Contents

flow and earnings per share. These measures represented 60% and 40%, respectively, of each named executive officer's bonus opportunity. The operating cash flow targets for Messrs. Gardner, Contreras, and Peterson were based on the performance of their respective divisions. The operating cash flow for Mr. Boehne was based 30% on the performance of the newspaper division and 30% on the Company's consolidated performance. The operating cash flow target for Mr. NeCastro was based on the Company's consolidated performance.

The target bonus opportunity for Mr. Boehne was set at 60% of base salary. The target bonus opportunities for Messrs. Gardner, Peterson, and NeCastro were set at 50% of base salary. The target bonus opportunity for Mr. Contreras was set at 45% of base salary. No bonus is paid for performance levels less than the established threshold. Performance levels that meet the targeted level are paid out at 100%. In no case would the actual bonus exceed 150% of the targeted bonus opportunity.

The bonus award is typically paid during the first quarter of the calendar year following the actual plan year, although executives may elect to defer payment of the bonus until retirement or another predetermined date.

For 2005, the Company exceeded its earnings per share target and its consolidated operating cash flow target. Scripps Networks and United Media divisions also exceeded the divisional operating cash flow targets. Therefore, the actual bonus awards for Messrs. Boehne, Gardner, and NeCastro were more than the targeted award. Scripps' newspaper, television and Shop at Home divisions did not meet the divisional operating cash flow targets. Therefore, the actual bonus awards for Messrs. Peterson and Contreras were less than the targeted award.

Long-Term Incentive

The purpose of the 1997 Long-Term Incentive Plan is to encourage stock ownership by management and better align the interests of shareholders and management. The Plan allows for several different types of stock-based awards, including stock options, stock appreciation rights, restricted stock, and restricted share unit grants.

Named executive officers typically receive an annual grant of stock options. The 2005 award was a combination of stock options and performance-based restricted stock. This is part of an ongoing effort to provide stronger ties to performance and the interests of shareholders.

Compensation of the Chief Executive Officer

The chief executive officer's 2005 compensation package consisted of a base salary of \$1,050,000 and a target annual bonus opportunity of 100% of such salary (\$1,050,000). Like other senior executives, Mr. Lowe's 2005 bonus plan was based on the Company attaining its consolidated operating cash flow target and earnings per share target. These measures represented 60% and 40%, respectively of Mr. Lowe's bonus opportunity. Because the Company exceeded these financial targets, Mr. Lowe's actual bonus award was more than the targeted award.

Mr. Lowe continues to be covered under an employment contract that was effective June 16, 2003 and expires December 31, 2006. The details of Mr. Lowe's contract can be found under "Other Transactions."

Mr. Lowe was awarded an option on February 10, 2005 to purchase 125,000 of the Company's Class A Common shares under the Long-Term Incentive Plan in recognition of his performance. The options will be exercisable in three equal installments beginning on February 15, 2006. In addition, Mr. Lowe was awarded a target of 36,833 performance-based restricted shares. Because the Company exceeded its operating cash flow budget for 2005, Mr. Lowe actually earned 37,938 shares. Of these earned shares, 9,485 vested on February 15, 2006, another 9,485 will vest on February 15, 2007 and the remaining 18,968 shares will vest on February 15, 2008.

[Table of Contents](#)

At the request of the Company, on September 30, 2004, Mr. Lowe converted 40,000 of his restricted shares to restricted share units as provided by the Long-Term Incentive Plan. These units will vest on January 2, 2007.

Response to Omnibus Budget Reconciliation Act of 1993

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation of more than \$1 million paid in any one year to a company's chief executive officer and each of its four other most highly compensated executives. Performance-based compensation, if approved by shareholders, is exempt from Section 162(m). The Company's Executive Bonus Plan and its Long-Term Incentive Plan have been approved by shareholders and, accordingly, performance-based compensation awarded under such plans is generally intended to satisfy those requirements. The committee reserves the right to grant awards from time to time that do not qualify as performance-based compensation to the extent that it is necessary to attract and retain senior executives.

The compensation tables that follow are intended to better enable our shareholders to understand the compensation practices of the Company.

REPORT ON THE COMPANY'S PENSION PLAN

The Company's executive officers and substantially all other non-union employees of the Company are participants in a non-contributory defined benefit pension plan maintained by the Company (the "Pension Plan"). Contributions to the Pension Plan are based on separate actuarial computations for each business unit and are made by the business unit compensating the particular individual.

The above table shows the annual normal retirement benefits which, absent the maximum benefit limitations (the "Benefit Limitations") imposed by Section 415(b) of the Internal Revenue Code of 1986, as amended (the "Code"), would be payable pursuant to the Pension Plan upon retirement at age 65 (based upon the 2005 social security integration level under the Pension Plan), pursuant to a straight life annuity option, for employees in the compensation ranges specified and under various assumptions with respect to average final annual compensation and years of credited services.

In general, the Benefit Limitations limit the annual retirement benefits that may be paid pursuant to the Pension Plan to \$170,000 (subject to further cost-of-living increases promulgated by the United States Secretary of the Treasury). The Company supplements payments under the Pension Plan with direct pension payments equal to the amount, if any, by which the benefits that otherwise would be payable under the Pension Plan exceed the benefits that are permitted to be paid under the Benefit Limitations. Annual normal retirement benefits are computed at the rate of 1% of average final annual compensation up to the applicable social security integration level plus 1.25% of average final annual compensation in excess of the social security integration level, multiplied by the employee's years of credited service. An employee's benefits are actuarially adjusted if paid in a form other than a life annuity.

An employee's remuneration is defined as the average annual amount of his pensionable compensation (generally salary and bonus, excluding the Scripps Retirement & Investment Plan match and any other annual or long-term compensation reflected in the Summary Compensation Table) for service during the five consecutive years within the last eleven years of his employment for which his total compensation was greatest. The employee's years of credited service equal the number of years of his employment with the Company (subject to certain limitations). As of December 31, 2005, the years of credited service of the individuals named in the cash compensation table were as follows: Mr. Lowe — 26; Mr. Gardner — 21; Mr. Boehne — 20; Mr. NeCastro — 4; Mr. Peterson — 4; and Mr. Contreras — 1.

In May 1996, the board of directors of the Company adopted a Selected Officer Retirement Program, the purpose of which is to provide supplemental retirement benefits to certain key employees of the Company who meet the eligibility requirements. Participants in the program must be specifically designated as participants by the compensation committee. As of December 31, 2005, the Program has three retired employee participants. No active employee has been designated for participation in such plan. A participant begins to receive benefits under the plan upon retirement. The amount of the benefit

is a percentage of the participant's highest three-year average earnings subject to certain offsets and maximums.

REPORT ON THE COMPANY'S CHANGE IN CONTROL PLAN

In 2004, the directors of the Company approved the Senior Executive Change in Control Plan (the "Change in Control Plan") for the named executive officers and certain other executive officers of the Company. Under this Plan, if there is a Change in Control (as defined in the Plan) of the Company, the participating executives will be entitled to termination payments if their employment with the Company is terminated without Cause (as defined in the Plan) or if they terminate such employment for Good Reason (as defined in the Plan), in either case within two (2) years of the Change in Control. The amount of the termination payment payable to each executive under the Plan equals a specific multiple (termination pay multiple) of such executive's Base Salary and Bonus (as such terms are defined in the Plan). Base Salary equals the executive's highest annualized rate of Base Salary in effect at any time during the year of termination and the three full prior calendar years preceding termination. Bonus means the higher of (i) an executive's target bonus in the year of termination or (ii) the executive's highest actual annual Bonus in the three full calendar years prior to termination of employment. Executives who participate in the Plan have termination pay multiples ranging from 1.5 to 2.5. Of the named executives of the Company, the termination pay multiple for Mr. Boehne is 2.5, and for the remaining named executives (other than Mr. Lowe) the multiple is 2. Mr. Lowe is not covered under this Plan since his employment agreement provides for payments in the event of a change in control. See "Other Transactions." In addition to termination payments, the Plan provides for (i) continued benefits coverage for the number of months following termination of employment equal to 12 times an executive's termination pay multiple and (ii) a cash sum equal to the actuarially determined value of a pension enhancement equal to the difference in the present value of (x) the actual pension the executive is entitled to receive under the Company's Pension Plan and Supplemental Executive Retirement Plan and (y) the assumed pension such executive would be entitled to receive under such plans if age and years of credited service at the time of termination were increased by a number equal to his termination pay multiple. The Plan also provides that upon termination as described above all outstanding equity awards held by an executive, including stock options and restricted stock, will immediately vest and not be subject to forfeiture, with all options remaining exercisable for the remainder of their terms. Executives who receive termination payments under the Plan are also entitled to gross-up payments intended to cover any excise taxes (and interest or penalties imposed with respect to such taxes) under Section 4999 of the Internal Revenue Code.

REPORT ON THE COMPANY'S DEFERRED COMPENSATION PLAN

In 2004, the Company replaced the 1997 Deferred Compensation and Phantom Stock Plan for Senior Officers and Selected Employees, effective May 22, 1997, and the Scripps Executive Savings and Restoration Plan, effective May 1, 1999, with the Scripps Executive Deferred Compensation and Savings Restoration Plan. To be eligible to participate in the Plan, an employee must be eligible to participate in both the Company's Long-Term Incentive Plan and the Scripps Retirement and Investment Plan (401(k) Plan) and must earn compensation in excess of the Internal Revenue Code Section 401(a)(17) limit in any one year. The Plan is a non-qualified plan and participants may defer to the Plan, before taxes are deducted, up to 50% of base pay and up to 100% of an annual bonus. After a participant completes one year of service with the Company, the Company adds a 50% match to base pay deferrals, up to 6% of base pay. The Plan is intended to help restore amounts that a participant cannot contribute to the Company's 401(k) plan, due to federal contribution limits.

REPORT ON CERTAIN TRANSACTIONS

Scripps Family Agreement

General. The Company and certain persons and trusts are parties to an agreement (the "Scripps Family Agreement") restricting the transfer and governing the voting of Common Voting Shares that such persons and trusts may acquire or own at or after the termination of the Trust. Such persons and

Table of Contents

trusts (the “Signatories”) consist of certain grandchildren of Robert Paine Scripps who are beneficiaries of the Trust, descendants of John P. Scripps, and certain trusts of which descendants of John P. Scripps are trustees and beneficiaries. Robert Paine Scripps was a son of the founder of the Company. John P. Scripps was a grandson of the founder and a nephew of Robert Paine Scripps.

If the Trust were to have terminated as of January 31, 2006, the Signatories would have held in the aggregate approximately 93% of the outstanding Common Voting Shares as of such date.

Once effective, the provisions restricting transfer of Common Voting Shares under the Scripps Family Agreement will continue until twenty-one years after the death of the last survivor of the descendants of Robert Paine Scripps and John P. Scripps alive when the Trust terminates. The provisions of the Scripps Family Agreement governing the voting of Common Voting Shares will be effective for a ten-year period after termination of the Trust and may be renewed for additional ten-year periods.

Transfer Restrictions. No Signatory will be able to dispose of any Common Voting Shares (except as otherwise summarized below) without first giving other Signatories and the Company the opportunity to purchase such shares. Signatories will not be able to convert Common Voting Shares into Class A Common Shares except for a limited period of time after giving other Signatories and the Company the aforesaid opportunity to purchase and except in certain other limited circumstances.

Signatories will be permitted to transfer Common Voting Shares to their lineal descendants or trusts for the benefit of such descendants, or to any trust for the benefit of such a descendant, or to any trust for the benefit of the spouse of such descendant or any other person or entity. Descendants to whom such shares are sold or transferred outright, and trustees of trusts into which such shares are transferred, must become parties to the Scripps Family Agreement or such shares shall be deemed to be offered for sale pursuant to the Scripps Family Agreement. Signatories will also be permitted to transfer Common Voting Shares by testamentary transfer to their spouses provided such shares are converted to Class A Common Shares and to pledge such shares as collateral security provided that the pledgee agrees to be bound by the terms of the Scripps Family Agreement. If title to any such shares subject to any trust is transferred to anyone other than a descendant of Robert Paine Scripps or John P. Scripps, or if a person who is a descendant of Robert Paine Scripps or John P. Scripps acquires outright any such shares held in trust but is not or does not become a party to the Scripps Family Agreement, such shares shall be deemed to be offered for sale pursuant to the Scripps Family Agreement. Any valid transfer of Common Voting Shares made by Signatories without compliance with the Scripps Family Agreement will result in automatic conversion of such shares to Class A Common Shares.

Voting Provisions. The Scripps Family Agreement provides that the Company will call a meeting of the Signatories prior to each annual or special meeting of the shareholders of the Company held after termination of the Trust (each such meeting hereinafter referred to as a “Required Meeting”). At each Required Meeting, the Company will submit for decision by the Signatories, each matter, including election of directors, that the Company will submit to its shareholders at the annual meeting or special meeting with respect to which the Required Meeting has been called. Each Signatory will be entitled, either in person or by proxy, to cast one vote for each Common Voting Share owned of record or beneficially by him on each matter brought before the meeting. Each Signatory will be bound by the decision reached with respect to each matter brought before such meeting, and, at the related meeting of the shareholders of the Company, will vote his Common Voting Shares in accordance with decisions reached at the meeting of the Signatories.

John P. Scripps Newspapers

In connection with the merger in 1986 of the John P. Scripps Newspaper Group (“JPSN”) into a wholly owned subsidiary of the Company (the “JPSN Merger”), the Company and The Edward W. Scripps Trust entered into certain agreements discussed below.

JPSN Board Representation Agreement. The Edward W. Scripps Trust and John P. Scripps entered into a Board Representation Agreement dated March 14, 1986 in connection with the JPSN Merger. Under this agreement, the surviving adult children of Mr. John P. Scripps who are shareholders

Table of Contents

of the Company have the right to designate one person to serve on the Company's board of directors so long as they continue to own in the aggregate 25% of the sum of (i) the shares issued to them in the JPSN Merger and (ii) the shares received by them from John P. Scripps' estate. In this regard, The Edward W. Scripps Trust has agreed to vote its Common Voting Shares in favor of the person designated by John P. Scripps' children. Pursuant to this agreement, Paul K. Scripps currently serves on the Company's board of directors and is a nominee for election at the annual meeting. The Board Representation Agreement terminates upon the earlier of the termination of The Edward W. Scripps Trust or the completion of a public offering by the Company of Common Voting Shares.

Stockholder Agreement. The former shareholders of the John P. Scripps Newspaper Group, including John P. Scripps and Paul K. Scripps, entered into a Stockholder Agreement with the Company in connection with the JPSN Merger. This agreement restricts the transfer of Common Voting Shares received by such shareholders pursuant to the JPSN Merger. These restrictions on transfer will terminate on the earlier of the termination of The Edward W. Scripps Trust or completion of a public offering of Common Voting Shares. Under the agreement, if a shareholder has received a written offer to purchase 25% or more of his Common Voting Shares, the Company has a "right of first refusal" to purchase such shares on the same terms as the offer. On the death of any of these shareholders, the Company is obligated to purchase from the shareholder's estate a sufficient number of the Common Voting Shares of the Company to pay federal and state estate taxes attributable to all shares included in such estate; this obligation expires in 2006. Under certain other circumstances, such as bankruptcy or insolvency of a shareholder, the Company has an option to buy all Common Voting Shares of the Company owned by such shareholder. Under the agreement, stockholders owning 25% or more of the outstanding Common Voting Shares issued pursuant to the JPSN Merger may require the Company to register Common Voting Shares (subject to the right of first refusal mentioned above) under the Securities Act of 1933 for sale at the shareholders' expense in a public offering. In addition, the former shareholders of the John P. Scripps Newspaper Group will be entitled, subject to certain conditions, to include Common Voting Shares (subject to the right of first refusal) that they own in any registered public offering of shares of the same class by the Company. The registration rights expire three years from the date of a registered public offering of Common Voting Shares.

Other Transactions

Mr. John H. Burlingame is a retired partner of Baker & Hostetler LLP, which provided legal services to the Company and to The Edward W. Scripps Trust (the "Trust") in 2005 and is expected to perform such services in 2006.

During 2005, Mr. Nicholas B. Paumgarten was a managing director of J.P. Morgan Chase ("J.P. Morgan"). J.P. Morgan Chase Bank (an affiliate of J.P. Morgan) is a lender to the Company under its Competitive Advance/ Revolving Credit Agreement. J.P. Morgan has performed investment banking services for the Company in the past and may again perform investment banking services for the Company. Effective March 15, 2006, Mr. Paumgarten left his position at J.P. Morgan and became Chairman of Corsair Capital LLC (an investment firm).

Mr. Kenneth W. Lowe entered into an employment agreement with the Company on June 16, 2003, pursuant to which he serves as President and Chief Executive Officer and as a member of the board of directors. The agreement continues through December 31, 2006, and thereafter renews for successive one-year terms unless terminated. During the term, Mr. Lowe is entitled to an annual salary, to be set by the Compensation Committee of the Company, that is not less than that paid to him for the immediately preceding year. Under the agreement, Mr. Lowe participates in the Company's annual bonus plan for senior executives with an annual target bonus opportunity equal to no less than 80% of his salary. A description of Mr. Lowe's compensation for 2005, including awards granted pursuant to his employment agreement, is included in the Compensation Committee's report under "Compensation of the Chief Executive Officer." Mr. Lowe's agreement was amended on September 30, 2004. Such amendment converted 40,000 restricted shares to 40,000 restricted share units under the terms of the Company's Long-Term Incentive Plan. Effective January 1, 2005, Mr. Lowe's annual base salary was increased to \$1,050,000 and his target bonus opportunity was increased to 100% of his annual base salary.

Table of Contents

Lowe — Deferred Stock Units. In recognition of the value Mr. Lowe created in the Company's national television networks and to provide him with an incentive to enhance the profitability of the Company in the future, Mr. Lowe received a grant of 192,076 deferred stock units in 1999 under his previous employment agreement. As of the date of his current employment agreement, 80% of these deferred stock units had matured and 153,662 Class A Common Shares of the Company had been issued in exchange for such units. On January 15, 2004, under his employment agreement, the remaining deferred stock units matured and were exchanged for 38,414 Class A Common Shares, and Mr. Lowe received \$50,706, which equals the amount of the cash dividends that would have been paid on such shares had they been outstanding between July 20, 1999 and January 15, 2004.

Lowe — Restricted Stock. In connection with his employment agreement, the Company granted Mr. Lowe 310,638 restricted Class A Common Shares under the Company's Incentive Plan, vesting in equal annual installments from 2004 through 2007. As of the date of this proxy statement, 232,980 of such shares have vested. On September 30, 2004, 40,000 of these shares were converted to restricted share units. Furthermore, 31,608 restricted Class A Common shares granted in connection with his previous employment agreement will continue to vest in accordance with their original vesting schedules. As of this date of this proxy statement, 251,985 of such shares have vested. All restricted shares that have not vested shall be forfeited if Mr. Lowe elects Early Retirement (as defined in the Agreement) before January 1, 2007, or if the Company terminates his employment as a result of criminal conviction. If Mr. Lowe's employment is terminated for any other reason (including a Change in Control), all restricted shares shall vest immediately.

Lowe — Termination. If the Company terminates the employment agreement for Cause (as defined in the agreement) or if Mr. Lowe terminates the agreement for any reason other than Good Reason (as defined in the agreement), Mr. Lowe will not be entitled to any further compensation or other benefits and, except in certain circumstances, will forfeit all outstanding equity awards.

If Mr. Lowe dies or suffers Permanent Disability, the Company must continue to pay Mr. Lowe (or his estate) his salary and provide him (and his family) with medical benefits for two years. Also, all outstanding equity awards will vest with the options remaining exercisable for the remainder of the original terms.

If the Company terminates the agreement without Cause or Mr. Lowe terminates it for Good Reason (other than within two years following a Change in Control), the Company must continue to pay Mr. Lowe his salary for the greater of three years or the balance of the term remaining at the time of such termination. Mr. Lowe will also be entitled to receive an amount equal to the target bonus then in effect times the greater of two or the number of years remaining under the term of the agreement, and he will be entitled to all benefits for the greater of two years or the balance of the term of the agreement, subject to certain offsets. Also, outstanding equity awards will vest with the options remaining exercisable for the remainder of the original term.

Lowe — Change in Control. If the Company terminates the employment agreement without Cause within two years after a Change in Control or Mr. Lowe terminates it for Good Reason within such two-year period, the Company must pay him an amount equal to three times the greater of his then current salary or his salary at the highest annualized rate paid in the three calendar years prior to the date of termination and in addition an amount equal to three times the greater of 100% of his target bonus for the year of such termination or the highest annual bonus he received for the three calendar years prior to termination. Until the earliest of the third anniversary of the Change in Control termination or Mr. Lowe's death or his securing of full-time employment which provides substantially equivalent benefits, the Company will provide Mr. Lowe and his eligible dependents with benefits substantially equivalent to those which were received immediately prior to the date of termination or a Change in Control. The Company shall also provide Mr. Lowe with reasonable outplacement services for a period of eighteen months and will reimburse him for his reasonable legal expenses in an amount not to exceed \$75,000 should he have to institute legal proceedings to enforce the Change in Control provisions of the agreement. All outstanding equity awards will vest upon a Change in Control with the options remaining exercisable for the remainder of the original term.

Lowe — Indemnification. Under the agreement, the Company is required to indemnify Mr. Lowe to the full extent permitted under Ohio law and must maintain directors and officers liability insurance covering him at a level and on terms and conditions no less favorable than the coverage the Company currently provides its directors and senior level officers.

Lowe — Legal Fees. In 2003, the Company reimbursed Mr. Lowe \$100,000 of the legal fees he incurred in the negotiation of the employment agreement.

The Company employed Mr. Joseph G. NeCastro as its senior vice president and chief financial officer effective May 3, 2002. To assist Mr. NeCastro in satisfying an obligation with his previous employer, the Company paid him a \$661,626 signing bonus (including the gross-up for withholding taxes) and loaned him \$356,905. If Mr. NeCastro voluntarily resigns between three and five years of his date of hire, he will be required to pay the Company \$175,000 of the signing bonus. Mr. NeCastro must repay the loan, with interest at 4.75% per year, by July 26, 2007. A portion of Mr. NeCastro's annual performance bonus, if any, will be used to repay interest and principal on the loan. Simultaneously with such payment, the Company has agreed to pay Mr. NeCastro an additional bonus, the net amount of which will equal withholding taxes applicable to the portion of the bonus used for the loan payment. Each year, from 2003-2006, Mr. NeCastro repaid \$80,000 of his loan balance. If his employment with the Company is terminated for any reason, all outstanding principal and accrued interest must be paid within thirty (30) days of the date of such termination.

The Company employed Mr. Mark G. Contreras as its vice president of newspaper operations effective January 4, 2005. Under the terms of his compensation arrangement, Mr. Contreras received the following: (i) an annualized base salary of \$450,000; (ii) an annual bonus target amount equal to 45% of his annual base salary; (iii) a signing bonus of \$150,000; (iv) a one-time bonus of \$50,000; and (v) a grant of 4,000 performance-based restricted shares pursuant to the Company's Long-Term Incentive Plan. Mr. Contreras is also eligible for a severance payment equal to one and one-half times his base salary and annual bonus if he is terminated without cause or if he leaves the Company for good reason prior to December 31, 2006, other than within 18 months following a change in control. Cause is defined in the Company's Senior Executive Change in Control Plan. Good reason is defined as (a) a material reduction in his starting pay or target bonus, (b) an assignment of duties that is materially inconsistent with, or materially less than his duties as vice president of newspaper operations or (c) an assignment or relocation without his consent. In no event would he receive a severance payment and a payment under the Change in Control Plan.

Mr. Gregory L. Ebel retired as vice president/human resources of the Company on April 15, 2005 but remained an employee until December 31, 2005. Under the terms of a compensation agreement with Mr. Ebel, he continued to receive his annual salary of \$281,000 through December 31, 2005 and received an annual bonus in the amount of \$100,461. On December 31, 2005, Mr. Ebel received a special supplemental payment (the "special payment") in the amount of \$569,025. Mr. Ebel will receive \$600,000 as aggregate compensation for lost benefits under the Company's pension plan. Payment is being made in three equal installments of \$200,000, plus interest. The first such payment, in the amount of \$200,000, was made on January 1, 2006 and the remaining payments will be on January 1, 2007 and January 1, 2008. The remaining payments are subject to forfeiture under certain conditions. The Company paid Mr. Ebel \$63,750 on January 2, 2006 as a lump-sum payment for the cost of future financial planning services. Stock options granted to Mr. Ebel under the Company's long-term incentive plan fully vested on December 31, 2005, and are exercisable for the remainder of their respective terms. At the time of his retirement, Mr. Ebel held 1,706 restricted shares that fully vested as of his retirement date. Additionally, at the time of his retirement, he held 4,553 performance-based restricted shares. All of such shares vested on December 31, 2005. The Company is providing, at its expense, family medical coverage to Mr. Ebel until he reaches the age of 55. Thereafter, Mr. Ebel will be eligible to continue such medical coverage at his own expense until he is eligible for Medicare benefits or age 65, whichever occurs later. Commencing on January 1, 2006, and continuing until Mr. Ebel reaches the age of 65, the Company will provide, at its expense, supplemental term life insurance with a face value of \$50,000. If Mr. Ebel is deceased at the time any of the base, bonus special payment or supplemental payment were to be made, such payments shall be made to his surviving spouse, or in the absence thereof, to his estate.

Mr. Frank Gardner retired from his role as senior vice president of the Company and Chairman of Scripps Networks, Inc. on December 31 2005. Upon his retirement, the Company entered into a Consulting Agreement and a Special Retirement Supplement Agreement with Mr. Gardner. Mr. Gardner will serve as an independent consultant for the Company for a two-year term that began on January 1, 2006. Mr. Gardner will provide the Company and its subsidiaries and affiliates with business advice and other consulting services, as may be requested from time to time by the Company. In consideration for all services performed by Mr. Gardner, he will be paid an annual fee of \$250,000 during the term of the consulting agreement. The Special Retirement Supplement Agreement provides Mr. Gardner with a lump sum payment of \$1,000,000 that was paid on January 2, 2006.

PROPOSAL 2

To approve an amendment to the Company's Code of Regulations.

General

There will be submitted at the annual meeting for action by the holders of Common Voting Shares a proposal to amend Article VI, Section 1 of The E. W. Scripps Company's Code of Regulations. Such amendment will allow a shareholder to choose to have shares registered through an uncertificated share registration system. The board of directors approved the proposed amendment on February 23, 2006. If approved, the applicable section of the Code of Regulations will read as follows.

Section 1. Form and Execution.

(A) Certificates for shares, certifying the number of full-paid shares owned, shall be issued to each shareholder who chooses to receive a certificate, in such form as shall be approved by the board of directors. Such certificates shall be signed by the chairman of the board of directors or the president or a vice president and by the secretary or an assistant secretary or the treasurer or an assistant treasurer; provided, however, that if such certificates are countersigned by an incorporated transfer agent or registrar, the signatures of any of such officers and the seal of the Corporation upon such certificates may be facsimiled, engraved, stamped or printed. If any officer or officers who shall have signed, or whose facsimile signature shall have been used, printed or stamped on any certificate or certificates for shares, shall cease to be such officer or officers, because of death, resignation or otherwise, before such certificate or certificates shall have been delivered by the Corporation, such certificate or certificates if authenticated by the endorsement thereon of the signature of a transfer agent or registrar shall nevertheless be as effective in all respects when delivered as though signed by a duly elected, qualified and authorized officer or officers, and as though the person or persons who signed such certificate or certificates, or whose facsimile signature or signatures shall have been used thereon, had not ceased to be an officer or officers of the Corporation.

(B) As an alternative to issuing stock certificates, a shareholder may choose to have shares registered through an uncertificated share registration system.

Vote Necessary for Approval

The affirmative vote of the holders of a majority of the Common Voting Shares outstanding as of the record date for the annual meeting is required to approve the amendment to the Code of Regulations. Broker nonvotes have the effect of a vote against the proposal. The board of directors recommends that holders of such shares vote FOR the amended Code. It is expected that the Common Voting Shares owned by The Edward W. Scripps Trust will be voted in favor of the amendment to the Company's Code of Regulations, thus assuring its approval. Proxies for Common Voting Shares solicited by the board will be voted FOR the proposal unless shareholders specify a contrary choice in their proxies.

REPORT ON SECTION 16(a) BENEFICIAL OWNERSHIP COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and officers, and owners of more than ten percent of the Company's Class A Common Shares ("10% shareholders"), to file with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of Class A Common Shares and other equity securities of the Company. Officers, directors and 10% shareholders are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a).

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the year ended December 31, 2005, all Section 16(a) filing requirements applicable to its officers, directors and 10% shareholders were complied with, except that one Form 4, representing one transaction for Mr. Mark S. Hale, Vice President of Technology Operations, was filed one day late because of an administrative issue.

ENGAGEMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

At its March 6, 2006 meeting, the audit committee of the board of directors approved the appointment of Deloitte & Touche LLP as independent registered public accountants for the Company for the fiscal year ending December 31, 2006. A representative of Deloitte & Touche LLP, the Company's independent registered public accounting firm during 2005, is expected to be present at the Annual Meeting of Shareholders and will have an opportunity to make a statement if he or she desires.

REPORT ON SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2007 Annual Meeting of Shareholders must be received by the Company at 312 Walnut Street, Suite 2800, Cincinnati, Ohio, 45202, on or before November 10, 2006, for inclusion in the Company's proxy statement and form of proxy relating to the 2007 Annual Meeting of Shareholders.

If a shareholder intends to raise a proposal at the Company's 2007 annual meeting that he or she does not seek to have included in the Company's proxy statement, the shareholder must notify the Company of the proposal on or before January 6, 2007. If the shareholder fails to notify the Company, the Company's proxies will be permitted to use their discretionary voting authority with respect to such proposal when and if it is raised at such annual meeting, whether or not there is any discussion of such proposal in the 2007 proxy statement.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Any interested person wishing to communicate with the board may do so by addressing letters to the Corporate Secretary at 312 Walnut Street, Suite 2800, Cincinnati, Ohio, 45202. All communications referring to material matters will be relayed to the directors at their next board meeting.

OTHER MATTERS

The solicitation of proxies is made by and on behalf of the board of directors. The cost of the solicitation will be borne by the Company. The Company may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company's Class A Common Shares.

The presence of any shareholder at the meeting will not operate to revoke his proxy. A proxy may be revoked at any time, insofar as it has not been exercised, by giving written notice to the Company or in open meeting.

The persons named in the enclosed proxy, or their substitutes, will vote the shares represented by such proxy at the meeting. The forms of proxy for the two respective classes of stock permit specification of a vote for persons nominated for election as directors by each such class of stock, as set forth

[Table of Contents](#)

under "Election of Directors" above, and the withholding of authority to vote in the election of such directors or the withholding of authority to vote for one or more specified nominees. Where a choice has been specified in the proxy, the shares represented thereby will be voted in accordance with such specification. If no specification is made, such shares will be voted to elect directors as set forth under "Election of Directors."

Under Ohio law and the Company's Articles of Incorporation, broker non-votes for Class A Common Shares and abstaining votes for both Class A Common Shares and Common Voting Shares will not be counted in favor of, or against, election of any nominee.

If any other matters shall properly come before the meeting, the persons named in the proxy, or their substitutes, will vote thereon in accordance with their judgment. The board does not know of any other matters which will be presented for action at the meeting.

A copy of the Company's Annual Report for the year ended December 31, 2005 is enclosed.

By order of the board of directors,

MARY DENISE KUPRIONIS, ESQ.
Vice President
Corporate Secretary/ Director of Legal Affairs
